### OVERVIEW

Financial Business Solutions, LLC (FBS) is a boutique PA W/MBE Certified Public Accounting and Consulting company located just north of Philadelphia. The company was organized in 2005 and is a participant in the Small Business Administration's 8(a)/BD program through year 2016. The firm provides professional services to companies requiring a specific expertise not readily available in-house. We partner with clients to manage change successfully and ensure projects are completed timely and efficiently.
